Business travel and combined business and holiday travel

Must be paid for with your Eurocard Corporate card, via an Internet account set up by Eurocard or via a travel account set up by SEB Kort.

Flights

For flights, this applies to tickets to, from and between travel destinations.

Other travel

For other travel, it is not a requirement that payment must be made with the card.

Travel period per trip

The cover for the individual trip enters into force at the time at which you leave your place of residence/workplace to commence the trip and ceases upon your return to your place of residence/workplace.

4. What does the insurance cover

The insurance covers Flight delay, see section 5, and Delayed luggage, see section 6.

5. Flight delay

The insurance covers

The insurance provides cover if your outward or homebound flight is delayed by more than four hours. This may be due to

- a booked flight being delayed.
- a booked flight being cancelled.
- your failure to board the aeroplane on which you have booked a flight due to overbooking or a missed connection due to documented delay of a connecting flight and no alternative flight can be offered.

The insurance does not cover

The insurance does not provide cover if:

- the flight is delayed due to strike or industrial action announced more than 24 hours before the departure time.
- the aeroplane has been withdrawn from operation on the recommendation of public authorities.
- compensation has been received from the airline.

In addition, the insurance does not cover more than one flight delay. A number of flight delays originating from the same flight delay are regarded as one and the same delay.

Compensation

The insurance covers up to a total of DKK 5,000 per insurance event.

The insurance covers reasonable and necessary additional expenses for meals, newspapers and magazines as well as any overnight accommodation.

If your luggage has been checked in, and overnight hotel accommodation becomes necessary, the insurance also covers expenses for purchases of toiletries and clothing of up to DKK 500 per person.

Travel to and from Greenland and the Faroe Islands and travel within these two areas

For travel to and from Greenland and the Faroe Islands, as well as travel within these two areas, the maximum total cover is, however, DKK 2,000.

All purchases must, where possible, be paid for with the Eurocard Corporate card.

Documentation

After your return home, you must send us the original invoices for your additional expenses, your original plane ticket or proof of travel as well as original enclosures from the airline stating the reason for the delay.

6. Delayed luggage

The insurance covers

The insurance provides cover if checked-in luggage is delayed by more than four hours after the arrival of your flight to the final destination.

The insurance does not cover

No compensation is paid

- for seizure of luggage by customs authorities and/or other authorities.
- for purchases made after the luggage has been retrieved.
- for delayed luggage on the homebound flight.
- for delayed equipment.

Compensation

The insurance covers reasonable and necessary expenses for clothing and toiletries by up to a total of DKK 5,000 per event and a total maximum of DKK 10,000 per year.

Compensation is subject to the condition that the purchases are made before the baggage arrives, and purchases must, where possible, be made with the Eurocard Corporate card.

Documentation

After your return home, you must be able to send us:

- the original plane ticket.
- the airline's PIR report* on the delay.
- documentation of the time at which you received the luggage.
- original receipts for your expenses.

7. In case of a claim

When do we pay compensation

Compensation is paid when we have received and assessed the information that we deem necessary to decide whether compensation should be paid and to fix the amount of compensation.

In the event of payment, we are subrogated to your rights.

We pay out compensation in Danish kroner (DKK).

Insurance with another company

If you have purchased insurance for the same loss with another insurance company, you have double insurance and must also report your claim to that company.

If the other insurance company excludes or restricts its liability to pay compensation in the event of double insurance, the same exclusions and restrictions also apply to this insurance. This means that we and the other insurance company will pay proportionate compensation.

Approval before we provide cover

If you fall ill or suffer an injury and are hospitalised, we arrange your treatment, transfer, transport home etc., and we may refuse to provide cover if we have not approved your course of treatment or the transport in advance.

Required documentation

Compensation may be paid under one or more of the types of cover in the travel insurance.

You must provide the documentation specified in the various sections in order to obtain compensation.

Reporting a claim

You can report a claim via the Eurocard app or by contacting Travel Claims (Rejseskade) on +45 44 20 44 96 between 8-16.
